

Enter the story of your life.

It is a good news story.

It is a novella and it is an adventure.

It is tragedy and comedy.

It is the continuing story about Mary's Son named Jesus.

You play a part in this story.

Sometimes you are the bad guy. Sometimes you are the good guy. Sometimes you act like an extra in someone else's story but this is your story.

It is the story about you and God's Word.

From Palm Sunday through Easter Sunday you have entered the story. Play your part. Speak your lines, move to your place, open your nose and breathe the Spirit of God!

You have washed your feet and eaten the Last Supper.

Now, there will be blood.

Blood at the cross, tears from the eyes, cries from the mouth.

You will be kissed.

By death.

The Good News about Jesus Christ is the Good news about you.

Baptized, confirmed, fed, confessed and anointed it is the good news about you.

Blind and half-dead, divorced from many husbands the Good news about Jesus is the good news about you.

Jesus lives!

I have seen him seeing you.

Many have died, but the tomb is empty.

Jesus lives!

Look around you and see.

See who you are and become who you see.

Many have died but the tomb is empty,

Behold, Jesus lives!

I know that Jesus lives because he lives in me and I live in him.

Baptized in tears, in blood and in fire rejoice!

Jesus lives!
